

Is It Still Good To Ya?

Teddy Pendergrass

It's been a long time
Since you touched me
And made me feel that wonderful glow
The way you do, oohhh
Been a long time
Since you held me and squeezed me
So I wonder what's come over you
I don't know if I ought to bring it up
Seems like such a funny thing to talk about
Don't know if it's right to do
Nowhere to turn to
Ooh, I'm up against the wall
And I wanna know (Oh)
Is it still good to ya
Does it feel alright (Oh)
Is it still good to ya
Can you prove it tonight
(Ooh...ooh...ooh...ooh...)
It's been a long time
Since you asked me how was my day
And kissed me before I could say oohhhh
It's been a long time
Since you told me
If things could change
You wouldn't have it no other way
I don't know if I ought to bring it up
Seems like such a funny thing to talk about
I don't know if it's right to do
I don't wanna bug you
And ooh, I'm up against the wall
And I wanna know, oh would you tell, tell me, yeah yeah
I need to know for my piece of mind, would you tell me
Know, know I wanna know
Is it, is it, is it still good too ya
Does it feel alright, little girl I gotta know
I gotta know for myself, ooohh whooo
Ah yeah, tonight, tonight, tonight
Ooohh, yeah, is it good
I need to know if it feels alright
Does it feel alright
Does it make ya feel alright
Is it good
Auh, auh, auh little girl
