

# Shout and Scream

Teddy Pendergrass

I like, I like to hear you shout, yeah  
I like, I like to hear you scream  
I like, I like to see you dance  
Come on shout, shout and scream  
Come on and get up off your chair  
Why don't you wave your hand in the air  
Come on, come on and follow me  
Come on shout, shout and scream

Shout, scream  
Shout, scream  
Come on, shout  
Come on shout, scream, shout, yeah

Come on and get rid of your tensions  
Your body's welcome on surrender  
Why don't you go ahead, get on down  
Come on, shout, shout and scream, yeah  
Why don't you shake, shake your booty  
Hey, don't forget to rock your tutti  
Let yourself go and just be free  
Come on shout, shout and scream, yeah

Get on up and shout  
Come on, scream  
Hey, shout. Come on, scream  
Why don't you shout, scream?  
Oh, it's alright this evening

I like, I like to hear you shout  
I like, I like to hear you scream  
I like, I like to see you dance  
Come on shout, shout and scream  
Why don't you shake, shake your booty?  
Hey, don't forget to rock your tutti  
Let yourself go and just be free  
Come on shout, shout and scream, yeah

Come on, scream  
Don't just shout, don't just scream  
Come on, shout, don't just scream  
Come on shout, scream  
Oh, it's alright this evening

It's alright, it's alright  
If you wanna dance, children, yeah  
It's alright, yeah, if you wanna party, yeah  
Go ahead, get on down, yeah  
Go on, party hardy, yeah  
Come on, party, yeah  
Come on, party, yeah, yeah  
Tell you it's alright

Now I'll tell you exactly what I want you to do  
I want everybody that's sitting in here this evening, but first of all, stand on up out your seats  
Come on, get on up

Music got you moving  
Yeah, come on, y'all, get on up  
And while you're standing there, I want you to wave your hand in the air  
I want you to wave your hand in the air  
For those of you that don't feel like waving your hand in the air, I wanna see you put your hands together  
Clap along with me  
[Clapping] Yeah, just like that  
Come on and clap a little harder, y'all  
Tear the building down  
We're gonna party, party hardy  
We're gonna party, party hardy  
Gonna party, yeah  
Gonna party, yeah  
And for those of you who think you're a little too cute to get up off your chair  
I want y'all to come on up here while I'm strutting across the stage  
I'm gonna show you how to do the teddy bear

Party, yeah  
Go ahead, get on down  
It's alright if you dance, children  
It's alright if you scream, children. yeah  
See, the music got you going from your head to your toe  
Gonna get so much, can't stand no more  
Shout. Come on, scream  
Come on, shout. Yeah, scream  
Come on, shout, yeah. Come on, scream  
Come on, shout, yeah. Come on, scream  
It's alright, what you wanna do

Come on and rock

Feels so good, yeah
