

# Truly Blessed

Teddy Pendergrass

Often I wonder, as I sail on alone  
Is there anything in life guaranteed  
I searched for an answer  
Believing a clue  
That would satisfy my every need  
But through it all  
I realised  
There's so much to life than we see  
I sum it all up in one phrase  
I am truly blessed

Yes, there are those times  
When my road gets so long  
And I stumble along  
I stumble along in the dark  
As I search for the truth  
See it all became clear  
See the answer was not very far  
So I reached out my hand  
And I called up His name  
And His spirit  
His spirit filled me within, oh yeah  
If I could sum it up (sum it up) in one phrase  
I am truly blessed

Oh oh, I am truly blessed  
Truly, truly blessed  
There's nothing more precious than life  
Oh no  
I didn't realise at first  
That it could've have been worse  
I gotta say  
I am truly blessed  
Oh yeah

Now that I know just what I must be  
And I see exactly what life  
What life can put you through, oh yeah  
I go through life now  
With a smile on my face  
Cause there's nothing  
There's nothing  
There's nothing that I cannot do  
Now that I know  
I'm not all alone  
He's there  
And I know that He'll see me through  
I guess I'll sum it all up in one phrase  
That I am truly blessed

Mmmmm  
I am truly blessed  
Yeah yeah yeah yeah  
There's nothing more precious than life

Precious than life  
Oh, when I look back and see

Things He's done for me  
I gotta say  
I am truly blessed  
Way down in my heart I know  
I am truly blessed  
Cause nothing, no, no  
There's nothing more precious than life  
When I look back and see  
The things He's done for me  
I know, yeah  
I am truly blessed

Yeah  
Just to show there's a sunlight of the days  
And oh, just to show  
There's a moonlight of the night hour  
I've got real life of my very own  
Oh, I know I gotta be strong  
Dealing with the situation  
I say it in my prayer  
Now I sing it, I sing  
I sing I sing I sing I sing  
I am truly blessed (yeah)  
There's nothing more precious than life  
No no no no

I want the world to see  
The light that shines in me (oh)  
I am truly blessed  
Oh well  
Well well well well  
I am truly blessed

Oh, I want you to see this in me  
I am truly blessed  
I want you to see this in me  
I am truly blessed

I wanna tell the word about it  
I am truly blessed  
I wanna tell the whole world about it  
I am truly blessed  
I wanna tell the whole word about it  
I am truly blessed  
I wanna tell the whole world  
I am truly blessed

I am truly blessed  
I woke up in my right mind this morning  
I am truly blessed  
I am truly blessed  
I've been truly blessed  
I am truly blessed  
I've been truly blessed  
I've been blessed by You, oh yeah

Nobody but You  
Nobody but You, Lord  
I have been blessed by you  
Nobody else but You, Lord  
Yes, you did  
I've been blessed by You  
Truly truly truly

Truly truly truly, oh yeah  
I have been blessed by You  
Oh Lord, oh Lord, I gotta say, I gotta say  
Truly blessed  
Bless me...  
Truly blessed  
Oh oh Lord, I gotta tell somebody  
How you've been good to me, yeah  
Yes, I have  
I don't mind... telling the world how you've been good to me...
