

# Delilah

Teddy Thompson

Well you and I were meant to be  
And in the end I know you'll see  
That we can never be just friends  
Our only love will never end Delilah

Just think about the way we were  
A perfect set of his n' hers  
Why does a man have to resist  
A never ending happiness Delilah

I got myself out of the way  
My debt to you is never paid  
I was a fool to let you go  
I'm sorry and I love you so Delilah

I think about you every day  
And I'm sorry for the things I said  
My perfect love my closest friend  
Oh Delilah

Well you and I were meant to be  
And in the end I know you'll see  
That we can walk around like friends  
But soon this day will have to end Delilah
