

# I Don't Want To Say Goodbye

Teddy Thompson

I don't want to say goodbye  
Let the stars shine through.  
I don't want to say goodbye  
All I want to do is live with you.

Just like the light of the morning  
After the darkness has gone  
The shadow of my love is falling  
On a place where the sun always shone.

Don't you know that's where our hearts both belong?

'Cause I don't want to say goodbye.  
Let the stars shine through.  
No, I don't want to say goodbye  
All I want to do is live with you.

Together our two hearts are strong  
Don't you know know that's where our hearts both belong?

'Cause I don't want to say goodbye  
Let the stars shine through.  
I don't want to say goodbye  
All I want to do is live with you  
All I want to do is live with you
