

Walking The Floor Over You

Teddy Thompson

You left me and you went away
You said that you'd be back in just a day
That day's come and gone
And you're still away from home
I'm walking the floor over you

I'm walking the floor over you
I can't sleep a wink that is true
I'm hoping and I'm praying
As my heart breaks right in two
Walking the floor over you

Now darling, you know I love you well
I love you more than I could ever tell
And I thought that you would love me
And you always would be mine
But you went away and left me
With troubles on my mind

Now I'm walking the floor over you
I can't sleep a wink, that is true
I'm hoping and I'm praying
As my heart breaks right in two
Walking the floor over you
