

# Cabernet Sauvignon

Teedra Moses

Candles burning  
Yearning  
Growing  
Heartbeat  
So  
How can I hold it back?  
I can't hold back no more...

Cabernet Sauvignon  
Glass or two  
Now it's on  
(Kissing so sweetly)  
Wanted to  
Just give in  
To it all  
But I can't  
(Ain't that easy)  
Hold on  
Daddy, I'm  
Gonna give you my love  
My love  
Hold on  
I'm coming

Not yet  
Trying to fight it  
He's kissing me (Oooh)  
What is a girl to (Do)  
Wanna turn away  
His touch is inspiring me  
To partake in naughty things  
Gotta leave  
Gotta be  
Strong

Cabernet Sauvignon  
Glass or two  
Now it's on  
(Kissing so sweetly)  
Wanted to  
Just give in  
To it all  
But I can't  
(Ain't that easy)  
Hold on  
Daddy, I'm  
Gonna give you my love  
My love  
Hold on  
I'm coming

Don't wanna give love  
So soon, you're  
So fine  
You're so damn fine  
I'm losing myself and  
Don't know how I'm gonna up and walk away

Oh walk away  
Don't wanna give love too soon  
You're so fine  
Loosing me  
Just don't know how to walk away

Cabernet Sauvignon  
Glass or two  
Now it's on  
(Kissing so sweetly)  
Wanted to  
Just give in  
To it all  
But I can't  
(Ain't that easy)  
Hold on  
Daddy, I'm  
Gonna give you my love  
My love  
Hold on  
I'm coming
