Teedra Moses

I am, I'm single, you know
I'm single, I mean, I'm, um)
Oh-oh, oh-oh

Listen, daddy, I
I don't mean to be rude
There's a whole lotta... wanna touch my crown
Why the hell should I choose you right here, right now?
You gotta show me why (you gotta show me why)

And I can tell by your stare
That that you care about appeal
To me and that's for real
Maybe I will
Maybe I won't
You gotta make it known

Give me cashmere (cashmere) compliments (compliments)
Blow my mind (blow my mind) make me feel (make me feel)
Turn me on, turn me out
If that ain't what you about
Then get the fuck on
Leave me alone

(Nah, nah, it's not that I'm tryna be bougie or nothing
It's just I'm a grown ass woman and I know what I want and what I don't want
Know what I mean?)

Don't need no wasted time (no bullshit)
Got real shit on my mind (just realness)
Come on and [?]
Don't hesitate, don't hesitate (hey)

If you want me

'Cause I wanna be so sweet
But you can't play with me
If you want something real
Boy, make me feel
