

Don't Call Me No More

Teedra Moses

I used to call you on your cellphone
Late night when I needed your love
I don't do that no more 'cause I found someone who really wants
How I gave you everything, you didn't realize what that means
Now he gives me everything
How could you think I would've ever leave?

So I don't call you on your cellphone... no more
No I don't call you on your cellphone, no more

Ever since you left the city I
I've been hanging out around the town with another guy
Ever since our left the city I...
And he gives me in a way that you've never tried
Ever since you left the city you...
Wanna call me all the time, 'cause I've been on your mind
Ever since you left the city you, you, you
You realize that you want me back

I used to call you on your cellphone
Late night when I needed your love
I don't do that no more 'cause I found someone who really wants
How I gave you everything
You didn't realize what that means
Now he gives me everything
How could you think I would've ever leave?

So I don't call you on your cellphone... no more
No I don't call you on your cellphone, no more
So I don't call you on your cellphone... no more
No I don't call you on your cellphone, no more

Oh, oh, oh, oh, oh, oh, oh, ooh
Oh, oh, oh, oh, oh, oh, oh, ooh
Oh, oh, oh, oh, oh, oh, oh, ooh
