Teedra Moses

[Verse 1:]

This poor heart of mine  
Still feel I can find  
A love to call my own  
I gave him good love  
Made him feel like a man  
Now I need someone new  
And I want someone like you

[Chorus:]

He will (Come and) Rescue me  
I know one day he'll come for me  
He will (Come and) Save me  
And i'm waiting and I'm waiting

[Verse 2:]

He aint gotta be no gansta (gansta)  
He aint gotta be no balla (balla)  
Cause baby if we strugglin  
I'll ride with you until we rise  
Me for you and  
You for me  
A simple kind of love life  
I've always dreamed of
