

Don't Mess With Me

Temposhark

How it all began
If truth to be told
Had a master plan
Now I rule the world

Took them by *surprise*
Worked my way up hill
They looked into my eyes
I became invincible

No one can stop me for only I am in control
If you want me you'd better contact my people

In my crown, I am king
I love their endless worshiping
I am roar, a dinosaur
But I will never be extinct

So don't mess with me
I'll shoot you down
Don't mess with me

Show me sex appeal
Get on your hands and knees
Forget about the kneel
It's best to keep me pleased
Imagine, if you will
A meet on the block
I've no time to kill so how about a quick fuck?

I've cum it's been fun but won't you please disappear
Something tells me you can't further my career

In my crown, I am king
I love their endless worshiping
I am roar, a dinosaur
I will never be extinct

Don't mess with me
I'll shoot you down
Don't mess with me

'Cause* all your heads are gonna roll
I've made your misery my goal
So if you want survival
Kneel on my arrival
'Cause* this is how I rule the world

No one can stop me
For only I am in control
And if you want me
You better contact my people

See my crown, I am king
You'll love the endless worshiping
I am roar, a dinosaur
But I will never be extinct

So don't mess with me
I'll shoot you down
Don't mess with me
I'll knock you down
Don't mess with me
I'll shoot you down
Don't mess with me
