

The Coffee Girl

Temposhark

I hold your photograph from last year
the one I took against your will
I burn the rest I had of you
you know I know
I I still love
a coffee girl
a coffee girl
I I still love
a coffee girl
a coffee girl
you are

I moved across a road
from you to here
and that's how I met your man
He's gone without a word
disappear
but who says I have a plan
I I still love
a coffe girl
a coffee girl
I I still love
a coffee girl
a coffee girl
you are

I I still love
a coffee girl
a coffee girl
I I still love
a coffee girl
a coffee girl
you are
I I still love
a coffee girl
a coffee girl
