

Changes

Ten Years After

Just another morning
Like the ones before
Been going round in circles
I'm climbing up the wall

I'm losing my mind
I don't know what I'm gonna do
Wasted so much time
Now it's time to make a move

Watched a dozen episodes
Of television news
Same old stories every day
They tell me nothing new

It's all in my mind
Talk about a different point of view
Wasted so much time
Now it's time to make a move

Changes, nothing's fixed or bolted down
Changes, turning things around
Changes, nothing ever stays the same
Changes, got to be some changes made

I was living an illusion
'Til I woke up to the truth
Put it down to attitude
How you feel is how you choose

I've made up my mind
There's some things that I've gotta do
Wasted so much time
Now it's time to make a move

Changes, nothing's fixed or bolted down
Changes, turning things around
Changes, nothing ever stays the same
Changes, got to be some changes made
