

## Saturday Night

### Ten Years After

I wanna rock tonight, and tell 'ya baby that I feel alright.  
If you think that I'm down, take another look 'cause I've found  
Another girl, She's cool! Nobody's claim, nobody's fool.  
I'm gone, I'm sold, I wanna rock, I wanna roll!

Yeah, it feels so good,  
Gonna love you baby like a loving man should.  
Yeah, I'm feelin' alright,  
That's the name of the game on a Saturday night!

Midnight late show, are you ready babe?  
Let's go! I wanna rock tonight  
Live it up and do it right!

Yeah, it feels so good,  
Gonna love you baby like a loving man should.  
Yeah, I'm feelin' alright,  
That's the name of the game on a Saturday night!

Yeah, it feels so good,  
Gonna love you baby like a loving man should.  
Yeah, I'm feelin' alright,  
That's the name of the game on a Saturday night!
