Spider in my web, baby, sitting and waiting to catch a fly
Sitting in my web, darlin', just waiting for you to pass me by

Sitting here, darlin', sitting here all alone
I'm sitting here, baby, sitting all alone
Baby, when I catch you, I'm gonna take you to my home

My web isn't very sticky
Pretty soon, you should know
Baby, when I catch you, I will never let you go

Spider in my web , darlin', I'm waiting to catch a fly
Sitting in my web, baby, waiting for you to pass me by

I said I'm a spider in my web, I'm just waiting to catch a fly
Spider in my web, and I'm waiting to catch a fly
Sitting in my web, darlin', waiting for you to pass my by

Don't you know the spider
Oh, baby, pretty soon, you're sure to find
Well, I'm a spider, pretty soon, you're sure to find
I'm a spider in my web, baby
But baby, spider can be kind
