

Another Rainy Day

Ten

My love, now, now, now

Don't say that you don't believe it
You ought to think before you speak sometimes
Your words cut and bruise, until even
Towers of Strength become demoralized

You say that you're gonna leave me
But I don't understand the reasons why
I've made every day that I breathe
A chance to make this love a paradise

It's another rainy day
Trying to find a way but I bring you down
Just another rainy day
Nothing I could say can appease you now
I need you to need me
I'm in so much pain that it's hard to believe
I need you to need me
Don't set me free

Can't you see I'm surrendering now
It's my heart you're dismembering now

High time now to start believing
I'm not the kind who likes to run and hide
This love is death I've been grieving
My mistake, I need to rectify

I know now, you'll never see it
And God in Heaven knows how hard I've tried
I'm hurt with no strength left to feel it
Now you say our love was just a lie

It's another rainy day
Trying to find a way but I bring you down
Just another rainy day
Nothing I could say can appease you now
I need you to need me
I'm in so much pain that it's hard to believe
I need you to need me
Don't set me free

Can't you see I'm surrendering now
It's my heart you're dismembering now
Hey

It's another rainy day
Trying to find a way but I bring you down
Just another rainy day
Nothing I could say can appease you now
I need you to need me
I'm in so much pain that it's hard to believe
I need you to need me
Don't set me free

Oh, now, now, now

It's another rainy day
Trying to find a way but I bring you down
Just another rainy day
Nothing I could say can appease you now
I need you to need me
I'm in so much pain that it's hard to believe
I need you to need me
Don't set me free

Can't you see I'm surrendering now
It's my heart you're dismembering now
