

Scarlet And The Grey

Ten

She waits alone amidst her fears And time moves on a thousand y
ears, Far, far, far away, The man-
child is raised; she calls ''The One''

He does not know she is his queen, This nameless face within his
dreams But far, far, far away He's drawn by the name she whisp
ers

Scarlet and the grey Immortal stone, She bathed in flames, the
ageless one, Inside a comet of purest starlight, Scarlet and th
e bone Remains unchanged, the past is gone Until the vision ret
urns this way Scarlet and the grey

He knows he's been this way before, Not in this life but one fo
r sure And far, far, far away He traces each step toward her

Scarlet and the grey Immortal stone, She bathed in flames, the
ageless one, Inside a comet of purest starlight, Scarlet and th
e bone Remains unchanged, the past is gone Until the vision ret
urns this way Scarlet and the grey

His face confirms her greatest fears The flames replace the tho
usand years Far, far, far away, The stars burn as fate destroys
her

Scarlet and the grey Immortal stone, She bathed in flames, the
ageless one, Inside a comet of purest starlight, Scarlet and th
e bone Remains unchanged, the past is gone Until the vision ret
urns this way Scarlet and the grey
