You are God  
You are King  
You are holy  
Lord of everything  
You are my peace  
When I am restless  
Yea, You are the hope that burns through my darkness, yea

You are God  
Yea, You are King  
Oh, You are holy  
Lord of everything  
You are my peace  
When I am restless  
Yea, You are the hope that burns through my darkness

And so I sing woah to You  
Yea I sing woah to You

Holy is our Lord  
Holy is our King  
Holy is Your power  
And Your graceful majesty  
Holy is our father  
Holy is our peace  
We give our lives to You  
We surrender

Holy is Your power  
And Your graceful majesty

We give our lives to You
