

# Overflow

Tenth Avenue North

Hands open up  
Hands open up

Out of the dust  
You created us  
We are the breath of Father, Spirit, and Son  
We're free to breathe  
We're free to move  
Life is a gift that we give back to You  
Life is our gift we give back to You

You set our hearts in motion  
You're alive inside us  
Our hands open up (hands open up)  
We are made in the image of a perfect union  
We receive Your love and overflow  
Oh, oh, oh, oh  
We overflow  
Oh, oh, oh, oh

It's evident  
That we were meant  
To live like grace is covering every step  
So we can risk  
Yeah we can fall  
You're over and you're underneath of it all  
You're over and you're underneath of us all

You set our hearts in motion  
You're alive inside us  
Our hands open up (hands open up)  
We are made in the image of a perfect union  
We receive Your love and overflow  
Oh, oh, oh, oh  
We overflow  
Oh, oh, oh, oh

Oh, overflow, oh, oh  
Oh, overflow, oh, oh

Let Your perfect love come and fill us up  
Till we can't help but oh, overflow, oh, oh  
Let Your perfect love come and fill us up  
Till we can't help but oh, overflow, oh, oh

Hearts in motion  
You're alive inside us  
Our hands open up (hands open up)  
We are made in the image of a perfect union  
We receive Your love and overflow  
Oh, oh, oh, oh  
We overflow  
Oh, oh, oh, oh

Living in the overflow  
Oh, oh, oh, oh  
We overflow

Oh, oh, oh, oh

Oh, overflow, oh, oh (hands open up)

Oh, overflow, oh, oh
