

## Beg for Absolution

Terminal Choice

Lonely shadows  
Walking across  
The cemetery  
Open graves  
Dead bodies  
Endless decay  
Rotten gravestones  
You can hear  
The brood of resolve  
Death everywhere  
So just take care  
of your life

Beg for absolution  
Say your prayers  
Or you will go to hell  
Regret your sins  
Say your prayers  
or you will go to hell

Strong desires  
You love your death  
You sink into night  
You need your flesh  
Your rotten flesh  
For your cemetery  
Desecration  
of corpses  
You play in the cemetery  
Degeneration  
Termination  
Your insane in your game
