

It doesn't Matter

Terminal Choice

I don't want to talk 'cuz I too much to say
I don't need to talk `cuz you won't listen to me
I don't want to be another victim
I have to live my life without you anyway

I don't want to talk 'cuz I too much to say
I don't need to talk `cuz you won't listen to me
I don't want to be another victim
I have to live my life without you anyway
It doesn't matter anyway
It doesn't matter

But there some much more thing in your
life, take your chance and
Please don't get all this fucking shit
Ever happen again

Do you want to be? A wasted kind of bitch
Do you want to live all wasted the way you do
You don't have to be another victim
You have to live your live without me anyway
