Come and see the real thing Come and see the real thing come and see Come and see the real thing Come and see the real thing come and see There's a meaning there There's a meaning there It's really really big Come and see the real thing Come and see the real thing come and see I am the real Thing Nanana... Trying hard to understand the meaning that you see in me Trying hard to understand the meaning that you see in me There's a meaning there There's a meaning there It's really really big Come and see the real thing Come and see the real thing come and see I am the real Thing I am the sea in you... Trying hard to understand the meaning that you see in me Trying hard to understand the meaning that you see in me There's a meaning there There's a meaning there It's really really big Come and see the real thing Come and see the real thing come and see I am the real Thing Nanana...

I am the sea in you...
