

# I'm Only Stronger

Terror

Hardship Coming Fast,  
Catching Up To Sins Of The Past.  
So Much Shit In My Head,  
Only You Can Understand.  
Take Away My Self-destruction,  
Take Away The Pain I've Seen.  
Take Away All My Worries,  
Never Given Up On Me.  
After Everything,  
    Everythin We've Been Through IM ONLY STRONGER,  
For The Hardships We Refused.  
After Everything, Everything We've Been Through  
IM ONLY STRONGER,  
For The Hardships Fought Through.  
We Rise And We Fall,  
    We Gain And We Grow. Another Lesson Learned,  
I Guess Where We've Headed Idont Know.  
    Wonder Where The Last  
Years Went, Running On This Twisted Plan.  
    All I Ever Needed Was  
Someone That Could Understand.  
After Everything, Everythin We've  
Been Through IM ONLY STRONGER,  
For The Hardships We Refused.  
After Everything, Everything We've Been Through  
IM ONLY STRONGER,  
For The Hardships Fought Through.  
Even Though Tried To Drive Us Straight To The Ground.  
You Dont  
Have What it Takes To Break Us Down.  
Even Though They Tried,  
They Tried Hard To Break Our Bond.  
All The Pain That You Caused  
Made Me Strong. After Everything,  
Never Giving Up On You.  
After Everything, Everythin We've Been Through  
    IM ONLY STRONGER,  
Hardship Coming, Coming Fast,  
Catching Up To The Sins Of The Past.  
IM ONLY STRONGER, For Putting Trust In You
