

Invasion

Terror

Eyes of a parasite, mark of a fake • what made me who i am has
lost its purity • everything this means to me is now plagued by
your disease • you try and use us • something you don't unders
tand • invasion • exposed • you don't belong here • invasion •
push us towards extinction but we're too solid to break • show
no mercy for your kind, i am your demise • you try and use us •
something you don't understand • invasion • exposed • you don'
t beLong here • invasion • eyes of a parasite, mark of a fake •
i am your demise • we've watched you infiltrate, we've watched
you use and destroy • the purity and innocence, this is the end
