Convictions you built in me. A sense of purpose, firm standing b elifes. We've kept traditions, Held with clear aims.

Respect the roots but we live for today. Fighting against the g rain. Live by the code, the die hard remain. The ethics, traditions kept. Live by the code, the freedom to live. Live by the code. Foundation, you are my strength. You are my rock, the anchor i need. Keep me honest, you keep me tight. The freed om to live, I remain positive. Fighting against the grain. Live by the code, the die hard remain. The ethics, traditions kept.

Desperation, the broken, we found honor. Live by the code, the m usic and our culture. Live by the code,

Live by the code, the freedom to live.

the roots and the ethics they have taught us. I belive in now, The new breed. LIVE BY THE CODE
