

# Games People Play

Tesla

**D** **A**  
All the games people play now, every night every day now  
**G** **A** **D**  
Never meaning what they say now, never saying what they mean  
**D** **A**  
While they while away the hours in their ivory towers  
**G** **A** **D**  
Till they're covered up with flowers in the back of a black limousine  
-----

**D** **A**  
Oh we make one another cry, breakin' hearts when we say goodbye  
**G** **A** **D**  
Cross our hearts say we hope to die, 'cept the other was to blame  
**D** **A**  
Neither one will ever give in, so we gaze at an 8x10,  
**G** **A** **Bm**  
Thinkin' 'bout things that might have been, oh it's a dirty rotten shame  
{Chorus:}-----

**D** **A**  
Lotindalotindadada, lotindalotindadadee  
**G** **A** **D**  
Talkin' 'bout you and me, and the games people play  
**D** **A**  
Lotindalotindadada, lotindalotindadadee  
**G** **A** **D**  
Talkin' 'bout you and me, and the games people play  
-----

**D** **A**  
People walkin' up to ya, singin' glory hallelujah  
**G** **A** **D**  
Sayin' what the hell's it to ya, if I do it in the name of the Lord  
**D**  
We're gonna teach ya how to meditate  
**A**  
Read your horoscope and teach you faith  
**G** **A** **Bm**  
Put them on a hell of hate, come on, let's get on board  
{Chorus:}-----  
Solo

**D** **A**  
Look around, tell me what you see, what's happening to you and me  
**G** **A** **D**  
God grant me my serenity, to remember who I am  
**D** **A**  
'Cos you're givin' up your sanity or your pride and your vanity  
**G** **A** **Bm** **C** **D**  
Turn your back on humanity, ow, when you don't give a damn, not a damn
