

Bad Ideas

Tessa Violet

I hope you don't think I'm rude
But I wanna make out with you

And I'm a little awkward, sure
But I could touch my face to yours, oh
And no one ever called me smooth
But I just wanna see the grooves between your hands, your teeth, oh
Tell me, do you think about me?

I just wanna kiss you
And even if I miss you
At least I'll know what it's like to have held your hand, oh!
No-o, hey!

Bad ideas, ay (oh!)
I know where they lead (hey, oh!)
But I have too many to sleep
And I can't get enough, no
I wanna kiss you standing up
Oh, no!
And if tomorrow makes me low (oh!)
Well it'd be worth it just to know
'Cause I can't get enough, no
I wanna kiss you standing up
O-oh!
Hey!

I don't know what compels me
To do the very thing that fells me
I wake up, still high on you
But by the night I'm crashing through

So why'd I wanna kiss you
Even though I miss you
Guess I just wanted to know what it would feel like, oh!
No-o, hey!

Bad ideas, ay (oh!)
I know where they lead (hey, oh!)
But I have too many to sleep
And I can't get enough, no
I wanna kiss you standing up
Oh, no!
And if tomorrow makes me low (oh!)
Well it'd be worth it just to know
'Cause I can't get enough, no
I wanna kiss you standing up
Oh!

Singing's a bad look on me
And if I'm talking honestly
It takes everything I got not to text, and
I just want a kiss to get me through
'Cause now all my bed-sheets smell like you, so

If you think you miss me
Come on back and kiss me

I just gotta know what you and I would feel like, oh!
No-o, hey!
Yikes

Bad ideas, ay (oh!)
I know where they lead (hey, oh!)
But I have too many to sleep
And I can't get enough, no
I wanna kiss you standing up
Oh, no!
And if tomorrow makes me low (oh!)
Well it'd be worth it just to know
'Cause I can't get enough, no
I wanna kiss you standing up
Hey!
