

Words Ain't Enough

Tessa Violet

You're fire, you're proud
But you're cold when it counts
It's open and shut

You can say you love me
But - words ain't enough

You want me, you say
But then you turn away
And I'm pressing my luck

You can say you love me
But - words ain't enough

Cut myself into
Pieces easy to chew

Carve me up into
Someone you'd like to choose

Till I'm only pieces of you

So, you can say you love me
But - words ain't enough

So, you can say you love me
But - words ain't enough
