

Hollow

Tesseract

Why are you leaving?
You trust me...
Because I'm lying!
Only a fool...
Would be this kind to me...
(You...)
Breaking the rules...
To show you how to play...
This honest affair...

Lost in shadow
(Hollow!)
Before it's too late...
Lost and shallow
Swallow your pride!
Lost in shadow
(Hollow!)
We cannot forgive you
Soft and shallow

We are so independent and useless and hollow...
We are all so inglorious, worthless and hollow...
