

## Curse of Osiris

### Testament

Osiris was murdered, by his brother Set  
A pharaoh dethroned, brought back from the dead  
Now Isis gave birth to their begotten son  
Horus will train to avenge his father's death

Lord of Death within the afterlife  
Protector of the underworld

Judgment shall pass upon the damned  
Egypt cannot be saved  
Undying beliefs corrupting the truth  
Composed are the lies of the king

Lord of Death within the afterlife  
Protector of the underworld

All shall bathe in the pain  
No deceiver shall remain  
Soon his uncle will die  
Horus has taken his throne

Bring Forth Death  
Horus has risen and taken his revenge  
Bring Forth Death  
Destin to kill and avenge his father's death

Lord of Death within the afterlife  
Protector of the underworld

Unleashed the curse uncoils twisting like the snake  
Victim of Regicide a brother meets his fate  
Now from the other side forever shall he rest  
Betrayed by his blood a blessing and his curse
