

Don't walk in here with dat bullshit look up on ya face  
Mad about some argument from yesterday  
Cause Tonight no need to fight, I can easy ya mind  
And I know just what to do to fix your appetite, yours and mine

Wanna put this cake in your face boy I got that shit that you c  
ravin

Boy come here  
Eyes rolling back in my face  
And I got you feeling the same  
I want it  
Got you curlin your toes  
While you deep in my throat

Let's create the canser sign  
(I want it)  
I'll be the 6 & you'll be 9  
(I want it)

Telling me this  
Telling me that  
Baby show me  
(Let's do a 69)

Telling me this  
Telling me that  
Baby show me  
(Let's do a 69)

Cat must've got your tongue  
Kissing on it til it's numb  
Got me sayin you the one  
Sweat drippin let it run  
Don't stop until I cum  
Then he beat it like a drum  
Tonight no need to fight eat that pussy right  
Got me feeling it, trimblin, stuttering & that's okay

Wanna put this cake in your face boy I got that shit that you c  
ravin

Boy come here  
Eyes rolling back in my face  
And I got you feeling the same  
I want it  
Got you curlin your toes  
While you deep in my throat
