

Come Back to Me

Teyana Taylor

Never wanna slow drag
Stayed away from slow cash
All I want is more cash
Until I get a tote tag
Ever had your heart broken
Felt like you got your car stolen
Felt like you got your chain snatched
Baby bring that thang back
Her moms had the volvo
We rode in the olds mo
Was a sucker for a pony tail
Looking like another game of show an tale
And I'm still the same nigga
Chains swinging like big daddy Kane a jigga
Baby bring that thang back
Hermes wave cap, her mans in a gelato
A lot of cold words in a convo
More plaques on the walls now
More death from the dogs now

Oo everything worth my heart is so
Ima give it up and let it go
Mama said if its really yours boy you'll come back to me
All in my heart like no one know ima give it up and letcha go
And if my heart is really yours boy you'll come back to me

Is this really worth fighting for, is this feeling not fighting yours
I just wanna know
Do you even care enough to show up when I need to know your there
Patience, nigga don't talk to me about no patience
Down ass bitch an understatement
Cause I been loyal I been day 1 figure out what you want
I can't do it for you no no
Don't just keep me for the sake of love, love, love,

Everything worth my heart is so
Ima give it up and let it go
Mama said if its really yours boy you'll come back to me
All in my heart like no one know ima give it up and let it go
And if my heart is really yours boy you'll come back to me ooo
Boy you'll come back to me

Come back to me, ooo

As bad as its hurtin' me to say this
As much as your having your way with my heart this is way to hard
I'm letting go love is so good could be forever
Just to be sure I'll let it all go so we'll really know
And if its forreal I do believe you'll come back to me, come, come back to m
e, come, come back to me, ooo
Baby come back, baby come back to me, baby come back my love

Everything worth my heart is so
Ima give it up and let it go
Mama said if its really yours boy you'll come back to me
All in my heart like no one know ima give it up and let it go
And if my heart is really yours boy you'll come back to me ooo

Boy you'll come back to me
