

How You Want It?

Teyana Taylor

Tell me what you want (Oh)
Tell me what you want (Oh)
Tell me what you want (Oh)
Tell me what you want (Oh)
Tell me what you want (Oh)
Tell me what you want
Tell me what you want from me (Hitmaka)

You're my MVP
Tonight I plan on fucking you to sleep
To-to-to put it deep
Baby, you know I'm a different type of freak (Yeah)
So what you tryna do to me?
Don't be shy, talk dirty to me, oh, boy
Lets take a shot of Hennessey, oh, boy

Tell me what you want (How you want it?)
Ass up and face down with the loving
Baby let me know (When you need it)
Four-course meal, chow down (When you eat it)
Make me curl my toes (Toes, make me)
What's the quickest way to turn you on?
Morning, middle of the night
Tell me what you want

Tell me what you want
I will do it all the way
Make you scream my name
I-I keep it nice and tight
Boy, relax and let me ride
Do the things we like
Oh, we the ones, want to see if you're the one
I'ma nasty bitch so I'ma fuck it like I should
Know that you've been peeping, I'm a savage
And the pussy good so if you want it, you could have it (Yeah, yeah)
Now I'm on his dick, make it a habit (Yeah, yeah)
Fucking with a bitch that's never average (Yeah, yeah)

Tell me what you want from me (How you want it?)
Ass up and face down with the loving
Baby let me know (When you need it)
Four-course meal, chow down (When you eat it)
Make me curl my toes (Toes, make me)
What's the quickest way to turn you on?
Morning, middle of the night
Tell me what you want

Yeah
Tell me all the things you see in the kid
Is it me or is it just the life that I live?
Just tell me what it is 'cause I can make you feel
(What is it?)
How he never did as long as you keep it real with me
And yeah, I know I'm young but I'm old enough
I'ma stand in that pussy, have you folding up (Uh, huh)
Face down, ass up, girl you know what's up
Eat it up, beat it up, make your toes curl up

I got no time to waste and no time to chase
Got to move that Christian's pace
Hold it down, when it's all at stake
On your curves, know I'm slowing my brakes
No guarantees I'ma make it home safe
I'm so stuck in my ways, out of town for a couple of days
Then when I'm back, I be right on my way and I got none to say
No games girl you know my style
I got the recipe to make you smile

Tell me what you want from me (How you want it?)
Ass up and face down with the loving
Baby let me know (When you need it)
Four-course meal, chow down (When you eat it)
Make me curl my toes (Toes, make me)
What's the quickest way to turn you on?
Morning, middle of the night
Tell me what you want

What you want
Tell me what you want
Tell me what you want (Oh)
Tell me what you want (Oh)
Tell me what you want (Oh)
Tell me what you want
Tell me what you want
