

You Make Me Feel...

Teyana Taylor

Hey, hey

You make me feel so
I'm hoping that we'll be
Be more than friends
Lovebirds 'til the very end
Baby, won't you come with me?
Let me know your fantasies

Boy, you know I'm feeling you
I hope you feel me, too
'Cause, baby, I can't stop thinking 'bout loving you
The way you make me feel, you make me feel so
So good inside, so, baby, let's just be for [?]

You make me feel so
I'm hoping that we'll be
Be more than friends
Lovebirds 'til the very end
Baby, won't you come with me?
Let me know your fantasies

Baby, don't forget to stay
'Cause you got me in this way
'Bout you, baby, going crazy over you
And I'm going to tell the truth
I want you, so won't you be my boo?
So we, won't you take the key right to my heart?

You make me feel so
I'm hoping that we'll be
Be more than friends
Lovebirds 'til the very end
Baby, won't you come with me?
Let me know your fantasies

All I wanna do is give my all to you
[?] wasting time
I'd be stronger with your love
I just wanna make you mine
Baby, come with me and tell me all your fantasies
And I can make them all come true
Baby, [?] me and you, hey
[?] oh, no, no
This is crazy, baby, oh, oh

You make me feel so
I'm hoping that we'll be
Be more than friends
Lovebirds 'til the very end
Baby, won't you come with me?
Let me know your fantasies

I wanna be more, oh
I wanna be more
