## The 5th Dimension

Rearranged  
Every room, every floor  
Every inch from door to door  
Every chair  
Every chair and table's new  
Every cup and saucer, too

Everything's been changed  
Nothing's like before  
Things I did with you  
I do no more  
They're all behind me  
Everything's been changed  
Since we've been apart  
Everything that is  
Except my heart

Yesterday, you were mine  
The world was ours  
Happy days of fun filled hours

Everything's been changed  
Nothing's like before  
Things I did with you  
I do no more  
They're all behind me  
Everything's been changed  
Since we've been apart  
Everything that is  
Except my heart

And I don't know what to do  
About all the tears I've cried  
And I can't get over you  
No matter how hard I try

(They're all behind me)

Cause everything's been changed  
Nothing's like before  
Things I did with you  
I do no more  
They're all behind me  
Everything's been changed  
Since we've been apart  
Everything that is  
Except my heart
