

(Last Night) I Didn't Get to Sleep at All

The 5th Dimension

Last night I didn't get to sleep at all, no, no
I laid, waked and watched until the morning light
Washed away the darkness of the lonely night

Last night I got to think maybe I should call you up
And just forget my foolish pride
I heard your number ringing
I were cold inside
Last night I didn't get to sleep at all

I know it's not my fault I did my best
God knows this heart of mine could use a rest

What more and more I find the dreams I left behind
Are somehow too real to replace

Last night I didn't get to sleep at all
The sleeping pill I took was just a waste of time
I couldn't close my eyes 'cause you were on my mind

Last night I didn't get to sleep at all
Didn't get to sleep, no I didn't get to sleep at all

What more and more I find the dreams I left behind
Are somehow too real to replace

Last night I didn't get to sleep at all, no, no
The sleeping pill I took was just a waste of time
I couldn't close my eyes 'cause you were on my mind

Last night I didn't get to sleep at all
No I didn't get to sleep, didn't get to sleep at all
