The Worst That Could Happen

The 5th Dimension

Girl, I heard you're getting married Girl, I heard you're getting married This time you're really sure And this is the end They say you really mean it This guy's the one that makes you feel So safe, so sane and so secure And baby if he loves you more than me Maybe it's the best thing Maybe it's the best thing for you But it's the worst that could happen to me. I'm never gettin' married, never gettin' married You know that's not my scene But a girl like you needs to be married I've known all along you couldn't live forever in between. And baby if he loves you more than me Maybe it's the best thing Maybe it's the best thing for you But it's the worst that could happen to me. And girl I don't really blame you For having a dream of your own Hey girl I don't really blame you A woman like you needs a house and a home. Baby if he really loves you more than me Maybe it's the best thing Maybe it's the best thing for you But it's the worst that could happen to me. Oh girl don't wanna get married Girl I'm never, never gonna marry Oh it's the worst thing that could happen Oh girl....
