

Gimme Some Head

The 69 Eyes

Hey now girls, I want lip-service
I don't wear a uniform and I'm not in the service
I've been in all day, never seen the sun
But when the sun goes down into the night I come

Girls, girls, girls, girls
Gimme, gimme, gimme some head
I like the nasty things that
You do to me in bed
Girls, girls, girls, girls
Gimme, gimme, gimme some head
I like the nasty things that
You do to me in bed

I used to be a pornfreak, I was into the hand scene
I used to use magazines to be in the filth screen
I used to get girls panty-hose
But there's nothing like a girl sittin on your nose

Girls, girls, girls, girls
Gimme, gimme, gimme some head
I like the nasty things that
You do to me in bed
Girls, girls, girls, girls
Gimme, gimme, gimme some head
I like the nasty things that
You do to me in bed

Girls, girls, girls, girls
Gimme, gimme, gimme some head
I like the nasty things that
You do to me in bed
Girls, girls, girls, girls
Gimme, gimme, gimme some head
I like the nasty things that
You do to me in bed

Some girls they just like to tease
And other girls they aim to please
Some girls really slip on my tongue
So spread your legs, I wanna get me some

Girls, girls, girls, girls
Gimme, gimme, gimme some head
I like the nasty things that
You do to me in bed
Girls, girls, girls, girls
Gimme, gimme, gimme some head
I like the nasty things that
You do to me in bed
