Our Lady Of Perpetual Sorrow

The Acacia Strain

Your god has fallen from grace. I wish he was real so I could spit in his face. Dead three days and refuses to rise, A failure in his fathers' eyes. God's eyes lie in the devil's hands. Humanity's downfall is a trust in a god that isn't there. We are disease of the earth. Scatter the ashes and shatter the bone as I reclaim my rightful place upon his throne. I don't have faith in him, but I believe in your failures. Your king on high is lower than low.
