

## Whale Shark

## The Acacia Strain

There are no heroes among us  
I will live in the shade of the colossus  
As old as time  
Scratching the sky

I can't fall asleep  
Suffer eternally  
The world outside is dead to me  
I can't fall asleep  
Suffer eternally  
The world outside is dead to me

Sometimes dead is better

Disrespect  
Ignorance  
Disconnect  
Face neglect

Speaking is silver  
Silence is gold  
I hope I die  
Before I get old

I can't fall asleep  
Suffer eternally  
The world outside is dead to me  
I can't fall asleep  
Suffer eternally  
The world outside is dead to me

Dead to me

Made it ma, top of the world  
[?]  
I don't want to live on this planet anymore

I told myself I would never surrender  
Ships have sailed, ties are severed  
I'd say I care but I don't really mean it  
Fuck this shit, I quit

I'm just a guy, and I don't fucking care if you live or die  
Your memory does not mean shit to me  
Deal with the god damn truth in reality
