

## Season

### The Academy Is...

Wake up, think fast, three weeks have past.  
We are changing. No sleep, no gas, no excuses will pass  
these lips  
Cause we're shaping up to be all you wish you could have been  
To write the hits and to turn their heads  
And to open eyes(open your eyes)to a brand new season,  
A brand new season.

So show me something we haven't heard yet,  
But I'm not convinced and your heartless songs won't stick.  
But I, I'll sing you something you won't forget  
For the first time I know this is now who I am.

You'll see what we mean,  
You'll notice when we're gone
