

Over the hill
Into the sun
There's a man shouting
About things to come
We need a change
Don't be afraid
Don't be afraid to follow fashion

4321
Here we all come
4321
Here we all come

Now make a move
Now make a stance
Join the crusade
Hear the romance
Another voice
'come with me'
Come with me
and I'll make you happy

4321
Here we all come
4321
Here we all come
4321
Here we all come
4321
Here we all come...

Over the hill
Into the sun
There's a man shouting
About things to come
We need a change
Don't be afraid
Don't be afraid to follow fashion

4321
Here we all come
4321
Here we all come...
