

## Distortion

The Adicts

Turn on the radio  
I can't quite hear  
Outside interence  
Fills your ears

Have to be careful what you say  
Might get distorted in much the same way

Distortion  
Distortion  
Distortion

Read the stories of your deeds  
It's not quite right you're not too pleased  
Just a small voice in a big crowd  
Gets distorted when you shout loud
