The Adicts

These City Streets Ain't Paved With Gold
No Silver In Those Clouds I'm Told
The Road To Fortune And To Fame
It Has No Number And It Has No Name
What You Doing With Your Life Is Your Philosophy
What's It Gonna Be
It's A Trip That Has No End
Gonna Take It Again And Again And Again And Again
Do You Know Your Final Destination
Or Are You Riding From Station To Station
What You Doing With Your Life What You Gonna See
What's It Gonna Be
What Your Doing With Your Life, Your So Much Like Me
What's It Gonna Be
What Ya Doing What Ya Doing What You Wanna Say
It's A Heavy Scene. Know What I Mean
What Your Doing With Your Life, Is This Your Lucky Day
What's It Gonna Be, Its A Heavy Scene, Know What I Mean.
