Children of the Moon

The Alan Parsons Project

Pay no attention to the writing on the wall
The words seem empty 'cause there's nothing there at all
We let the wise men beat the drums too soon
We were just children of the moon
None to turn to
Nowhere to run to even if we could

Too late to save us but try to understand
The seas were empty there was hunger in the land
We let the blind man lead the way too long
Easy to see where we went wrong
Nothing to live for
Nothing to die for

[CHORUS]

We're lost in the middle of a hopeless world

Lost in the middle of a hopeless world

Children children of the moon watch the world go by

Children children of the moon are hiding from the sun and the s

ky

Children children of the moon watch it all go by

Children children of the moon are blinded by the light in their

eyes

No one to turn to Nowhere to run to even if we could

Follow the pilgrim to the Temple of the Dawn The altar's empty and the sacrifice is gone We let the madmen write the golden rules We were no more than mortal fools Nothing to live for Nothing to die for

[CHORUS]

We're lost in the middle of a hopeless world Lost in the middle of a hopeless world Children children of the moon watch the world go by Children children of the moon hiding from the sky
