# Silence and I

### **The Alan Parsons Project**

If I cried out loud
Over sorrows I've known
And the secrets I've heard
It would ease my mind
Someone sharing the load
But I won't breathe a word

## [CHORUS]

We're two of a kind Silence and I We need a chance to talk things over Two of a kind Silence and I We'll find a way to work it out

When the children laughed I was always afraid
Of the smile of the clown
So I close my eyes
Till I can't see the light
And I hide from the sound

#### [CHORUS]

I can hear the cry
Of a leaf on a tree
As it falls to the ground
I can hear the call
Of an echoing voice
And there's no one around

#### [CHORUS]
