

Lifeblood

The Almighty

lyrics : Warwick - music : Warwick/Friesen

Something's gotta give
Something's gotta give right now
You're so addicted to
Self-righteous indignation
Breaking the back of love
Then you bleed into temptation
Try and understand
That there's a price to pay
If you lust for life
You can't drain away my....

(chorus)

Lifeblood
Coz I'm staying high
Lifeblood
Burning in my veins
I ain't dying to die
Something's gotta give
A turned on revelation
In your blood-shot mind
You wanna save your life
I wanna spend mine
And your damming rivers
Tryin' to kill the flow
Your drowning sorrows
But they're sinking too slow in this
(chorus)

I'd rather die on my feet than live on my knees
One nail drives another deep inside of me
(chorus)
