

Burn Alive

The Amity Affliction

I'll burn alive for you
Burn alive, it's true
I'll burn alive for you
Burn alive, it's true

Yeah!

I'll burn alive for you
(I'll burn alive for you)
Burn alive, it's true (Burn alive, it's true)
And you can all dance in my ashes
It's my parting gift to you

Unwanted by memories I
I'm terrified
If I burn for you
I'll burn alive
I'll burn alive

I've been living on the outside
Trying hard to let it go
But how I'm feeling on the inside's the only life I've ever known
Yeah!

I'll burn alive for you
(I'll burn alive for you)
Burn alive, it's true (Burn alive, it's true)
And you can all dance in my ashes
It's my parting gift to you

Let's start a fire
I'm terrified, I'm terrified
If I burn for you
I'll burn alive
I'll burn alive

I've been living on the outside...
Yeah!

I'll burn alive for you
(I'll burn alive for you)
Burn alive, it's true (Burn alive, it's true)
And you can all dance in my ashes
It's my parting gift to you

Yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah

I'll burn alive for you
(I'll burn alive for you)
Burn alive, it's true (Burn alive, it's true)
And you can all dance in my ashes
It's my parting gift to you

Yeah, yeah
Yeah, yeah, yeah!
I'll burn alive for you
Yeah, yeah
Yeah, yeah, yeah!
Burn alive, it's true
