Don't Lean On Me

The Amity Affliction

Let the ocean take me!

You gotta know, kid, that it ain't easy To take on all of your grieving Yeah, you've gotta believe me

Oh!

Well, don't lean on me, cause I am falling Please don't fall with me I really need you here, yeah I need you so don't leave And don't count on me, cause I am drowning Please don't drown with me Just hold me in your heart And let the ocean take me Let the ocean take me

And you think I don't read every message That you send You think I turn a blind eye You think I'm just like them It breaks my heart All these stories brings me to tears All this grief And I feel so fucking helpless When I can't be your relief

Oh!

Well, don't lean on me, cause I am falling, Please don't fall with me I really need you here, yeah, I need you So don't leave And don't count on me, cause I am drowning Please don't drown with me Just hold me in your heart, And let the ocean take me

There is hope in my eyes There is hope in these words And there are far too many reasons For you to stay here on this Earth Stay with me

Well, don't lean on me, cause I am falling, Please don't fall with me I really need you here, yeah, I need you So don't leave And don't count on me, cause I am drowning Please don't drown with me Just hold me in your heart, And let the ocean take me Let the ocean take me Let the ocean take me
