Am I Ever Gonna See Your Face Again

The Angels

Went down to Saint Tropez Where Renoir paints the walls Described you clearly But the sky began to fall

Am I ever gonna see your face again Am I ever gonna see your face again

Trams, cars and taxis Little waxworks on the move Carry young girls past me But none of them are you

Am I ever gonna see your face again Am I ever gonna see your face again

Without you near me I got no place to go Wait at the bar Maybe you might show

Am I ever gonna see your face again Am I ever gonna see your face again

I've got to stop these tears That's falling from my eye Go walk out in the rain So no one sees me cry

Am I ever gonna see your face again Am I ever gonna see your face again

Am I ever gonna see your face again Am I ever gonna see your face again

Can't stop the memory That goes climbing through my brain I get no answers So the questions still remains

Am I ever gonna see your face again Am I ever gonna see your face again
